Determine which criteria you want trigger the sending of the SMS :

- on a specific passage (*start or intermediate*)
- upon crossing the finish line

**IMPORTANT**

It is possible to have multiple triggers with different SMS templates.

Triggers settings

SELECT GROUP

ADD TRIGGER

Name	Description
Loop trigger	Will trigger when competitor cross specified loop. (Does not trigger for the same loop on the same lap.)
Checkedered flag trigger	Will trigger when competitor finish the race
